Jim:

We lost contact with the controller at 9:11 this AM. We are looking into it now, but may not be able to get the card system back up before tomorrow.

Your doors fail secure, so there should be no issues aside from the inconvenience of using keys.

Mark

Hi Mark,

Our swipe cards are not working at the drug Lab in Morrill I (Room N251, 251B and N247". The card swipes the light turns green, but the door will not open. Should I submit a work order or is the system having campus wide problems?
